Family Worship Church – Events and testimonies for 2016

- Marques Bufford was promoted to a “guru” in his department at Zumbrota Ford for outstanding performance on the job (Ephesians 6:5-8).
- Joyce Jacobson transferred to a new job at Mayo Clinic, an answer to her prayers. Joyce spoke to warts on her skin to be removed and they obeyed the Word of God (Matthew 18:18-20; John 15:7; 16:23; Mark 11:23-24).
- Kevin Jacobson’s life was spared while he and the cleaning lady were praying for each other at his home when his heart pace maker suddenly shocked his body. The cleaning lady immediately called 911 for professional emergency assistance. It was found out later that Kevin had stopped breathing for more than ten minutes, and this had not caused any damage in his body. Again, we thank God for His divine protection and the faithfulness of God to His Word (Psalm 91:1-16; Job 42:10; Jeremiah 1:12).
- Arthur and Beverly Olson continued to do weekly outreach ministry at four nursing homes in Pine Island, Zumbrota, and Red Wing (Mark 16:15-20; John 21:15-17).
