Family Worship Church – Events and testimonies for 2017

- The vision “Training the Next Generation” will continue in 2018. An in depth training in the pastoral book of 1 Timothy has been taught as a foundation for the new generation of leaders in the church. Kevin Jacobson, Joyce Jacobson, Marques Bufford and Beverly Olson were ordained this past year as ministry leaders in the church.
- By using the Kingdom Electronics web hosting, we were able to design and built a new web site with greater flexibility which can provide more information on church activities.
- Arthur and Beverly Olson continued to do weekly outreach ministry at four nursing homes in Pine Island, Zumbrota, and Red Wing (Mark 16:15-20; John 21:15-17).
