Family Worship Church – Events and testimonies for 2018

- The vision “Training the Next Generation” will continue in 2019. An in depth training in the pastoral book of 1 Timothy has been taught as a foundation for the new generation of leaders in the church. A plan is to do an in depth teaching of 2 Timothy in 2019.
- Family Worship Church will be meeting in the homes on Sunday mornings from now on due to lack of income to support renting the building at 81 West 5th Street in Zumbrota.
- Family Worship Church has received permission to use a room at New Life Church in Wanamingo to conduct church services on Saturday evenings. New Life Church suggested that Family Worship Church or its members give freewill offerings to cover the utility expenses.
- Arthur and Beverly Olson continued to do weekly outreach ministry at four nursing homes in Pine Island, Zumbrota, and Red Wing (Mark 16:15-20; John 21:15-17).
